

A romantic wedding scene at sunset. A bride in a long white gown and a groom in a light blue shirt and dark pants stand in a field, looking at each other. The background features a wooden fence and trees, with the sun low on the horizon, creating a warm, golden glow.

# **We Capture Your Story with a Cinematic Soul**

**At MYO EVENTS, we turn your special day into a film that moves people, can be relived forever, and shared with loved ones. Ready for us to tell your story?**

# Our Approach to Weddings

---

Every wedding is unique. At MyO24 Events, we take a cinematic approach, capturing spontaneous moments, glances, emotions, joy, and even quiet moments.

We don't just "record the event" — we tell your story, from the preparations and ceremony to the reception and those moments that happened when no one was watching. Our style combines documentary and artistic elements so that when you watch your video.. you relive that unforgettable day.

We travel throughout Catalonia and all across Spain, adapting to your wedding and your style.
